

Opens flat. Durable for hedge clippings, sticks, and more.

Keep on stuffing from the top opening. Repeat again and again.

Custom branded for Highland Creek residents.

## A REUSABLE New Tool Replaces plastic & paper bags

- Starts flat for easy loading – saves time...easy to fill, drag and empty
- Easy to collect grass clippings, leaves, hedge trimmings, weeds and trash
- Five heavy-duty YKK® zippers on each bag
- Durable design provides many years of trouble-free service
- Zip multiple bags together to create a larger hedge clippings catch area
- City will unzip and flip and leave it on your yard
- Compact – folds up for easy storage; won't collect water or mosquitoes
- Fits perfectly on golf carts and maintenance vehicles

Designed for Municipal Curbside Emptying
